mp
Hello darkness my old friend, I've come to talk with you again,

mf *mp* *mf*
because a vision soft-ly creeping, left its seeds while I was sleeping, and the

mp
vi-sion that was planted in my brain still remains within the sound of si-lence.

mf
In restless dreams I walked alone, narrow streets of cobble-stone, 'neath the halo of a

f *mf* *f* *mf* *f*
streetlamp. I turned my collar to the cold and damp, when my eyes were stabbed by the

ff *f* *mf*
flash of a neon light, that split the night, and touched the sound of si-lence.

ff
And in the naked light I saw ten thousand people may-be more, people talking without

fff *ff* *fff*
speaking, people hearing with-out listening, people writing songs that

voices nev-er share, **ff** and noone dare **f** disturb the sound **mf** of si-lence.

f "Fools"said I,"you do not know. **ff** silence like a cancer grows, hear my words that I might

57

teach you, take my arms that I might reach you." But my words like

62

fff silent raindrops fell, **ff** and echoed in the wells of si-lence. **f** And the peo-ple bowed and **ff**

68

fff Growl **ff** **fff** — prayed, to the neon God they made, and the sign flashed out it's warning,

73

and the words that it was forming, and the sign said,"The words of the prophets are

ff **f** **ff** **mp** written on the sub-way. walls and ten-e-ment halls," and whispered. in the sound of si-lence. **atempo** **Rit.**
