$\text{♩} = 200$

1. The cloud re - ceived Christ from their sight. They stood, their mouths a - - gape.
2. The cloud kept safe God's peo - ple as Through the dry sea they trod,
3. On Si - nai's height the cloud did rest To make a home be - low.
4. Ap - pear - ing on the mer - cy seat with - - in the in - most place,
5. On moun - tain high Christ's face did shine like sun, a bla - zing light.

Re - mind - ed of the things He taught His peo - ple still do wait.
And led them through the wild - er - ness; They tru - ly walked with God!
The Ark first then His writ - ten Word His pre - sence now would show.
the Tem - ple showed God's pro - mi - ses to save our fal - len race.
The cloud once more ap - - peared on earth a tru - ly fear - ful sight.

6. While here in flesh You taught us, Lord
The object sure and right:
To see our Father's glory bright,
To have eternal life.

9. On Easter day, Lord, You were raised
Firstfruits of our new Life;
And in the cloud we see the day
When joy will end all strife.

7. A goal beyond our reach You've shown;
We cannot pay the price.
No work of ours atones for sin,
We cannot set things right.

10. We wait to see the cloud's return
To be with us below,
When You fulfill Your promises
To bring us to Your home.

8. You are the Truth, You are the Way
for us to see His face.
You died for us a sinner's death
abandoned in our place.

11. And though we wait to see You now
We know that You are near.
Your promises to build our faith
Are stronger than our fear.

12. You give us faith by Your strong Word
In water, wine, and bread.
The Spirit works through earthly means,
in pastures green we're fed.
